

**Remarks**

The following numbered paragraphs are provided to respond to the similarly numbered paragraphs in the Office Action (e.g., paragraph "1" below corresponds to paragraph 1 in the Office Action).

1-6. Applicant has amended the claims to address the indefiniteness rejections.

Applicant has added new claim 155 which is a method claim that is similar to the allowed apparatus claim 1. New claims 156-158 simply provide several options for the health safety functions.

AMENDMENT  
Page 13

Applicant has introduced no new matter in making the above amendments and antecedent basis exists in the specification and claims as originally filed for each amendment. In view of the above amendments and remarks, Applicant believes the pending claims of the present application recite patentable subject matter and allowance of the same is requested. No fee in addition to the fees already authorized in this and accompanying documentation is believed to be required to enter this amendment, however, if an additional fee is required, please charge Deposit Account No. 17-0055 in the amount of the fee.

Respectfully submitted,

CARLOS DE LA HUERGA
